It is undoubtedly one of the most impressive frontline properties on the Costa Brava, ideal for 12 people.

This spectacular luxury villa is located in one of the most requested areas of the Catalan coast, just a few minutes walk from the private port of Fornells, in the bay of Aiguablava.

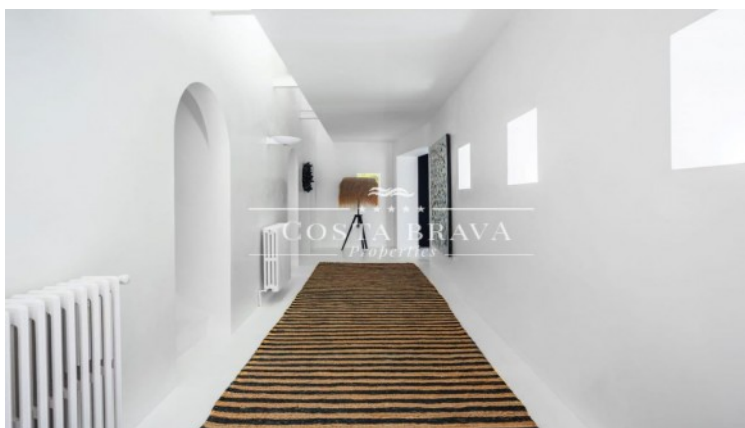

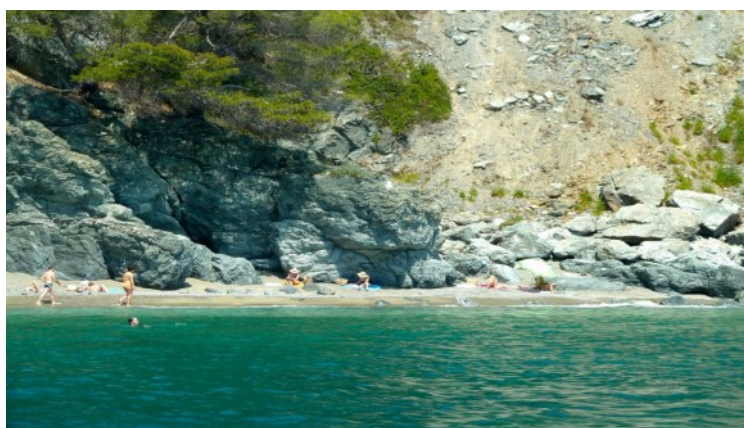

It would be difficult to find such a perfect coastal property. The house 750m<sup>2</sup>, is built on a 2,400 m<sup>2</sup> plot with a slight slope that is shaped like an amphitheater and offers exquisite views facing south and total privacy.

The house has 6 suites bedrooms, including a master suite with a beautiful private terrace overlooking the pool and bright and spacious rooms with fabulous views of the garden and the sea.

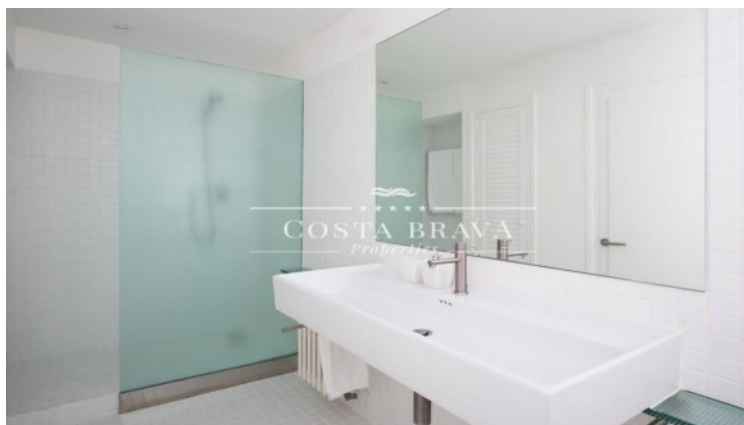

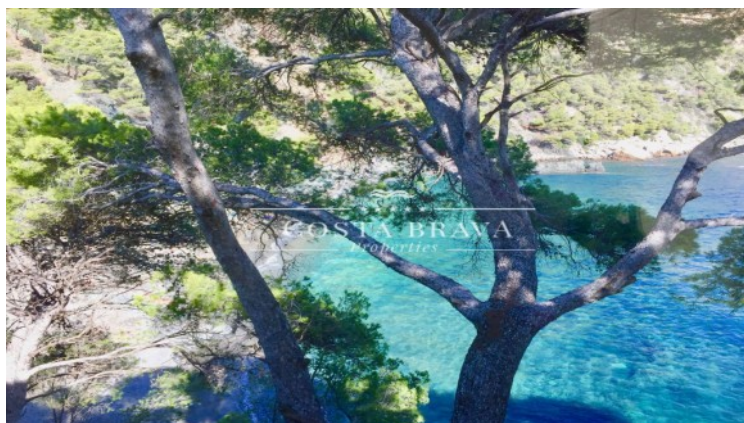

In addition, the plot enjoys beautiful gardens, has direct access to the sea and is just a minute walk from the picturesque beach of Platja Fonda. In fact, one of the reception rooms enjoys impressive direct views over the Platja Fonda itself.

Next to the pool, which stands on the rocks, there is a summer dining room and dressing rooms for guests. There is also a wooden house for children, a garage and a large outdoor parking.
