Exclusive new development house with luxury villas located in a private gated community. Set in a stunning location in one of the most picturesque spots on the Costa Brava, surrounded by pine forests and with breathtaking sea views across the bay of Pals towards the Medes Islands, the Baix Empordà coast and beyond, including the rugged Cap de Creus. Just 15 minutes' walk from Sa Riera beach and only 10 minutes' drive from the charming town of Begur, with its medieval streets, shops and restaurants.

. The villas offer a contemporary style with an emphasis on luxury and comfort, perfectly combining architecture and nature by incorporating the original quarry stones into the design. The villas feature high quality finishes with exceptional materials and state-of-the-art technology.

The exteriors of the villas blend harmoniously with the natural surroundings, using earthy colours and natural stone. The gardens are landscaped with local quarried stone to blend in with the colours of nature, and are decorated with silver-leaved plants adorning the sloping natural dry stone walls, which provide a stunning contrast to the reinforced earth terraces.

Each villa has its own private swimming pool and parking area.
